CIRCULAR

Subject: Acceptance of the birth/death certificates issued through CRS application-reg.

The registration of births and deaths in India is being done under the provisions of the Registration of Births and Deaths Act, 1969 and corresponding rules made thereunder. The office of Registrar General of India has developed uniform software for Registration of Births and Deaths and issuance of certificates registered through the system. After implementing this software, the birth and death certificates are being issued through this software under the provisions of Section 12/17 of the RBD Act, 1969.

2. The certificates issued through the software which is accessible at 'crsorgi.gov.in' have unique registration number to each registered event across the country. These certificates are enabled with quick response (QR) code and the authenticity of the certificate can be verified from the website 'crsorgi.gov.in'. These certificates of birth and death are legally valid document and may be considered as authentic proof for all Government as well as Non-Government purposes. The process of generation of birth/death certificate through the application is as under:

"The events reported by the informants are being registered by the registrars using their user id & password and after approval of the registrar, the certificates are being generated electronically and either manual or digital or facsimile signature of the issuing authority appears on the certificates. This certificate is being generated after checking the correctness of the records. The certificates thus generated will be made available in the public portal of the O/o RGI."

3. All concerned departments of Central Governments and State Governments are requested to ensure that the certificates issued by the Registrars/Sub- Registrars through the application are accepted, and not to insist for original certificates carrying manual signature of the issuing authority. All heads of Departments may bring this to the notice of their sub-offices for compliance.

4. This Circular is being issued in exercise of powers conferred under Section 3 of the Registration of Births and Deaths Act, 1969, to enable the general public to get the certificates free of cost from their own home.
