

Representation for Backward
Classes in Government Service.

GOVERNMENT OF MAHARASHTRA.
General Administration Department.
Resolution No. BCC 1064-IV-J.
Sachivalaya, Bombay-32(BR), 16th April, 1965.
Chairta 29, 1887.

R E S O L U T I O N.

Vacancies do not occur with sufficient frequency in cases of isolated posts and small cadres with the result that orders regarding separate reservation for different sections of the Backward Classes take long to produce the results aimed at. Government is, therefore, pleased to direct that isolated posts and small cadres, in the same class and carrying, similar status, salary and qualifications in the same Department should be grouped together for the purpose of reservation of vacancies for members of the Backward Class. A cadre or a grade of a service consisting of less than 20 posts should be treated as a small cadre for this purpose. A group so formed should not ordinarily consist of less than 25 posts. The proposals for grouping of posts should be referred to the General Administration Department by the administrative departments concerned for approval together with full particulars of posts proposed to be grouped in the following respects:-

- i) Designation and number of each post.
- ii) Class to which the posts belong.
- iii) Scale of pay of each post.
- iv) Minimum qualifications prescribed for direct recruitment to each post.

2. The Departments of the Secretariat should take suitable action in pursuance of these orders so far as they are respectively concerned.
